Delivering Quality Healthcare in Adopted Village Dhakrani

Mamta, 32yrs from Haripur (Dhakrani), Dehradun, is happy and healthy after getting treated at the health camp organized by Max India Foundation in association with Bella Healthcare. Through word of mouth, she came to know about the monthly camps being organized; she came for pregnancy (ANC) checkups, tests and got treated for leucorrhoea, weakness/pain in her legs and back. She is now blessed with a healthy baby boy. Having gone through significant improvement in her health, she asked her sister-in-law to visit our health camp. She is grateful to the doctors and staff for their care.

Clean Drinking Water Campaign Another 4 South Delhi Municipal Corporation schools were provided water purifying filters under the Clean Drinking Water campaign which was launched by MIF in March 2017. A total of 10 schools have been covered benefitting 11,700 children in South Delhi.
