TRADITIONAL BIRTH ATTENDANT TRAINING (DAI)

On the request of the Chief Minister of Uttarakhand, MIF organized training for traditional birth attendants (or Dai) across the thirteen districts of the state. As much of the population lives in far flung areas, institutional births are not always possible. With this initiative we hope to drastically reduce the incidence of maternal and child mortality.

The Dehradun district Dai training phase was officially inaugurated on 4th June in Dehradun by the Honorable Health Minister Uttarakhand, Shri Surender Singh Negi. The Director General Health Services, Dr. Bhatt and Dr. SK Agarwal, Chief Medical Officer, Dehradun were also present and spoke on the occasion lauding the initiative.

A STITCH IN TIME SAVES NINE..... SECONDARY AND TERTIARY HEALTHCARE

MIF provides surgery and treatment support to patients from the economically weaker section of the society and patients referred by NGOs. **To date over 4315 patients have been supported.**

- This month 9 paediatric cardiac surgeries were conducted by Dr. Dagar and his team for children referred by Genesis Foundation and Afghan Red Crescent Society for surgical correction of the congenital heart anomalies at Max Hospital, East block, Saket.
- MIF facilitated treatment support for 5 patients suffering from different ailments including paralysis, colon cancer, spine dislocation, reconstructive surgery of the hand and heart disease at Max Hospitals (Saket and Dehradun). Cataract surgery for a case referred by NGO Samarpan was facilitated through MIF at Max Hospital, Panchsheel.
- MIF facilitated free health consultations for children of NGO Tara Homes for Children and NGO Udayancare in Max Hospital Panchsheel, Noida and Patparganj.
- MIF in association with HANS Foundation facilitated 5 cochlear implant surgeries at Max Hospital, East Block, Saket.

A BIG THANK YOU TO ALL OUR DOCTORS AND THEIR TEAMS FOR THEIR RELENTLESS SUPPORT.

PREVENTION IS BETTER THAN CURE PREVENTIVE HEALTHCARE

MIF through its Pan - India Immunization program has reached out across India. To date **48238** children have been immunized (some have received multiple shots) through **776** camps.

- In the month of June, 20 Immunization camps were successfully conducted through our NGO partners - Chetnalaya, Gianelli Sadan, Centre for Equity Studies, Banjara Mahila, Feedback Foundation, Samarpan and Bella Healthcare. These camps were conducted in and on the outskirts of **Delhi** (Sunder Nagri, Bhatti Mines, Sangam Vihar, Kalyanpuri, Bhalasva, Mukundpur, Shahadara, Bavana, Chabiganj, Mehrauli, Adarsh Nagar, Nala Colony, Majnu Ka tila, Kotla and Deoli village) and Dehradun. 587 children were given vitamin A and de-worming tablets.
