“ Investments in immunization yield a rate of return on a par with educating our children - and higher than nearly any other development intervention. ”

Seth Berkley

Water is Life, and Clean Water means Health

Max India Foundation in partnership with the Rotary Club of Garden City, Delhi executed a project to provide **Clean Drinking Water** in MCD South Delhi Schools. **Two plants** were inaugurated by Mrs. Mohini Daljeet Singh on 3rd March 2017. These will serve **5000 children** in **six schools**.

High rates of vaccine uptake are necessary to achieve sustainable immunity across the population

Max India Foundation has successfully covered a batch of **120 children** from Rittana Children Foundation in Greater Noida; an NGO working with children of migrant laborers with **complete vaccination** against **Hepatitis B, Typhoid, DPT and MMR**. MIF has regularly supported them with nutrition, vaccination and health checks since 2012.

What we instill in our children will be the foundation upon which they build their future - Steve Maraboli

This saying was aptly followed at the immunization camp in Saharanpur at Uddan School where **Kanishk Kaushik** (son of volunteer Himanshu Kaushik from MLIC) participated as a volunteer to help immunize 141 children with Hep B dose. **Keep it up!** Volunteers Mr. Manoj Narang, Mr. Manmohan Krishan and Ms. Anju Khurana also extended their support.

When Women support each other, incredible things happen

On the occasion of International Women's Day - 8th March, several women related interventions were organized.

- **610 women** were sensitized through talks, films and discussions on **nutrition, cancer, and menstrual hygiene** management in association with Setu Foundation, Vidya and Child, Antakshari Foundation, Udhyam Foundation, Sshrishti, Nav Abhiyan and Cancer Patients Aid Association.
- Women Health camps were organised with our partner NGOs- Setu Foundation, Nav Abhiyan, and Sshrishti where **210 women were provided with free health check-up.**
- **Hemoglobin test** was conducted for **200 women** through Lions Club, Dakshinpuri; NGO Chetnalaya and Nav Abhiyan.

Widening our Knowledge

Mrs. Mohini Daljeet Sigh was invited as a participant/speaker for a panel discussion on the '**Contribution that the corporate sector can make for more effective programming for children**' by UNICEF India on 17th March.

Multi Speciality Camp at Dhakrani

was organized on March 23rd in association with Max Life Insurance and Max Super Speciality Hospital, Dehradun. Dr. Praveen, Dr. Rubina and Dr. Raja checked 180 patients. The marketing and nursing staff of MHC and Max Life Volunteers extended support during the camp. In addition, 50 patients were provided free eyeglasses.

Progress in Adopted Village Dhakrani, Uttarakhand

- A sustainable underground sewerage system laid at Dhakrani. Phase II and Phase III is nearing completion. **31,200 feet of pipeline has been laid in phase II and 23,800 feet of pipeline has been laid in phase III. Phase II is fully functional. Most of the houses in phase II have been connected. Septic tanks in both phases are 100% complete.**
- **Waste** is being **collected daily** from households in the village. Dry waste like plastic is being recycled. The process of converting wet waste into manure started.
- A **sanitary pad manufacturing unit** for the women by women has been set up at Dhakrani village. 15000 sanitary pads have been made to date.
- A **park** is being laid in the village **for the relaxation of the residents.** Flowering shrubs and saplings are being planted to beautify it.
